> Executive Director,
> TEO Holdings Pte Ltd

Showcase Your Technology Across the Value Chain

ITMA ASIA Singapore 2029 brings together textile and garment manufacturing technologies, materials and innovations across the value chain.

> “The main objective of holding this show in Singapore was to attract people from Southeast Asia and Middle East markets, and the results were truly impressive.
>
> **Mr Stephane Picard,**
> Sales & Marketing Manager,
> Pierret Industries

The ITMA ASIA Advantage

International Technology Showcase

Visitors have greater choices and opportunities to compare solutions with a diverse international mix of technologies.

Regional Market Connections

Connecting exhibitors with buyers across Asia Pacific, the Middle East and Africa.

Integrated Value Chain

Facilitating collaboration across materials and manufacturing technologies to explore new applications and develop tailored solutions.

Fibres, Yarns & Fabrics

Showcase your materials to a wider audience of textile manufacturers and technology providers, expanding your market reach and business opportunities.
