

ITMA ASIA + CITME

SINGAPORE 2025

28 – 31 October 2025  
Singapore Expo

## RESEARCH & INNOVATION

THE LEADING  
**TEXTILE  
TECHNOLOGY  
EXHIBITION**  
DRIVING REGIONAL  
GROWTH

## Be at the Forefront of the Textile Industry with Strategic Research and Innovation

In today's dynamic and competitive landscape, textile organisations must stay ahead of the competition by investing in strategic research and development, and nurturing the next generation of industry talent.

### Collaboration is vital

Collaboration among industry stakeholders is pivotal to the success of research and development in the textile sector. Organisations can accelerate the innovation process by providing expertise, and sharing insights and knowledge.

Interdisciplinary research and the cross-fertilisation of ideas can lead to breakthrough innovations and contribute to the advancement of the textile industry, especially in the circularity and sustainability space.

### Leading-edge research and innovation showcase

A dedicated showcase of technologies and solutions for the entire textile and garment making value chain, ITMA ASIA + CITME, Singapore 2025 is the industry platform to profile your organisations and projects to the region's textile professionals, potential collaborators and investors, and students.
